

Carding Script

Hi, my name is _____ and I'm with the Kirby Company. Don't worry, I'm not here to sell you anything. I'm registering people for our upcoming drawing for \$1000... and it's free to enter.

What name should we put on the check if you win? (put your pen to paper and look at the card. do NOT look at the customer)

After getting their name, look around the door like you're looking for their house number and say.. I see your address is (123 anystreet) in (say town name)....

What's a good number to reach you at if you win? We will only call if you win.
(look at paper and be ready to write. don't look at customer)

After they give you number, thank them and hand them the large part of the card after you tear the entry card off... Turn around and walk a step or so away, and then turn around and say... Oh.. I almost forgot.. we also have daily and weekly drawings. If you happen to win one of those, we will let you know, and you'll still be in the drawing for the \$1000 too. Good luck!
