

\$1000 Card

Hi is this _____? This is
_____ from Kirby.

Recently _____ was out and registered your household into \$1000.00 give away. Do you remember that? Great, well we wanted to call and let you know we have you in there and wish you luck in that. And also since you are registered, your name was selected to receive a FREE carpet cleaning. We'll dry clean, scotch guard, and deodorize one room any size, I just need to know which room gets the most traffic through it. Great, are you and your husband/wife daytime or evening workers? Wonderful we are going to be out in your area on _____, I have _____ and _____ available which would be best for both of you?
